

Personality Psychology Foundation (PPF)

The 1<sup>st</sup> World Conference on Personality

19-23 March 2013, Stellenbosch, South Africa

It is our great pleasure to invite you to join us in stunning Stellenbosch, South Africa, from March 19-23, 2013, for **The 1st World Conference on Personality!**

**Abstract submissions (symposia, papers, posters) are now open!!**

For the first time, this conference will bring together personality psychologists and psychologists with an interest in personality from the various regions of the world, to fully display the different perspectives on personality as pursued in different cultures, to stimulate further cooperation across the cultural borders, and to facilitate the commencement of new research-lines in the field.

If you work in a personality related field, such as in intelligence, individual differences, clinical fields, education, sociology and biology, you are welcome to attend, participate and contribute to this long-anticipated international event.

The conference will feature an array of esteemed keynote speakers and is supported by an eminent international advisory board. Topics to be covered will include Personality Structure, Personality Measurement, Intelligence, Cognition, Positive Psychology, Biological, Forensic and Social impacts on personality, personality disorders, morality, cross-cultural aspects of personality, and a lot more. No personality topics are excluded.

Don't miss out on this groundbreaking conference on Personality!
